

October 14

MARIE POUSSEPIN

● ● ●
25 YEARS
BEATIFICATION
MARIE POUSSEPIN
1994-2019

I invite you to give thanks to the Lord for all that we have lived in the Congregation throughout these years, for the joys and difficulties and for the life and support of each one of the Sisters for the mission of the Church, following the footsteps of Dominic and Marie Poussepin. I also invite you to believe and grow in trust in her holiness and ask for her intercession for the needs of the Congregation, the Church and the world, as well as for the persons who ask us to pray for their intentions. Let us continue the journey of communion and charity begun by humble, pious and charitable Marie Poussepin and like her, become women of faith and witnesses of Mercy.

Sr. Maria Escayola Coris, superior general, letter 10/14/2019
